Please turnover and complete the Gift Aid Declaration.

Increase the size of your gift
by 28% with the help of the taxman!

Gift Aid is a government scheme that allows Hope Africa to recover 28p for every £ you, give* from tax you have already paid. So a gift of £10 is actually worth £12.80 – without costing you a penny more. All you have to do is fill in and sign the Gift Aid declaration below.

*UK taxpayers only

4. Sign the Gift Aid declaration

I want Hope Africa to treat all donations I have made since 1 April 2000, and any in the future, as Gift Aid donations until further notice.

Signature _____ Date ____ / ____ / ____

NB. This declaration entitles us to reclaim 28p for every £1 you give. You must pay an amount on income tax or capital gains tax at least equal to the tax on your donations in the tax year. If you have already signed a Gift Aids declaration, thank you, your gift is already worth 28% more.
